

**WIRE FOX TERRIER ASSOCIATION**

The Wire Fox Terrier Association, founded in 1913, extends a warm welcome to new members. The Association is dedicated to the welfare and promotion of wire fox terriers and has a large, worldwide membership. The Association boasts an excellent Website and Face Book page which deals with every aspect of wire fox terrier ownership and care, up to the minute show results and news of forthcoming events. There is a comprehensive history of the breed and an excellent section on grooming. There is also a "shop" where items of interest to wire owners can be purchased. Log on to [www.wfta.co.uk](http://www.wfta.co.uk)  
During each year we hold both an Open and a Championship Show, seminars, fun events and other associated events aimed at enthusiastic pet owners, which give advice on various dog topics and the correct trimming of the wire. The Association also publishes a Year Book containing details of the past year and this is usually available in March.
